SEEN, HEARD AND TOLD

By W. W. WHITAKER
When he feels like it.

Everybody looks at this spot every week to see the latest news of the rat race. We have three or four new ones this week, like Shelton Moore, who worked many years with Prich Horton, running for supervisor of this beat; Red Taylor, who made a fine race last time for the Beat 4 supervisor, running again; Thomas A. Bell, another fine young attorney, running for County Prosecuting Attorney and E. B. Golding of northeast Mississippi running for State Auditor. Any more who come in later this week will be tacked on.

It is generally understood that, just as soon as they can get a few week's more pay from Oliver-Lilly, Rice Pr gs grove and McHenry Allison will bust out for Chancery Clerk and Sheriff respectively.

With all of those telephones (five to date) in his office, Byron Hunter reminds me of that fellow who had all of those cats. The fellow had nine cats and he had nine holes cut in the door. The fellow said that, when he said "Scat" he meant "scat."

Barber-shop talk Wednesday was that Landron Vaughn's name would shortly be in the sheriff's column.

The Sentinel-Star is supposed to publish the allowances of the board this month and I am very anxious to see whether there was turned in from the court house any reference to what the supervisors were paid, also to see if Byron Hunter had his own name in the list of those getting money. Ben Sanders told me sometime ago that he was paid $233.33, but his name has never been in the published proceedings.

Back yonder in 1909, I saw such itemized figures published in the old Grenada Sentinel, as "A. Olsen, president. Dist. One, 3 days and 8 miles $12.00" and "John S. King, clerk, 3 days, $9.00." Now, I dont want to go back to the old days, but I would like to go back and tell folks what becomes of their money. They could then read and not have to probe around. That's the reason the law requires the publication of official doings.

In Re the $375,00 bond issue to be voted on Saturday, $325,000 will go for a new colored school and $50,000 for a new stadium for the colored kids. The local school board has a 100-years lease on suitable property in the old Fair Grounds for this new stuff.

Andrew and I stumbled into a lot of bass Monday. Each of us brought back a string of 15. We did not catch even one Speck Davis.

I went over to the meeting of the supervsiors Monday and wanted to find out just exactly what those veterans were quarrelling about, but, when I got there, the veterans had gone. Albert Clark was talking about white washing the outhouses of folks in Beat Three. He said he had about painted all the houses for his folks.

Last minute reminder: ALL voters will vote at the Elementary School Saturday from 7 until 6.

This is a free ad for Ford. We have a spanking new 55 Ford sedan and it seems so much better than the last Ford we owned - a 1940 Ford - that there is little comparable with the two cars.

I am surprised that each supervisor does not have a phone and let the county pay for it. I guess thats the next step. This is the modern age, you know. As far as I know, that may be going on now. Who knows?

I guess the most honest thing I ever saw a supervisor do was old man John James, then supervisor of Beat Two and, by the way, a colleague of mine. John went into Doak's, ordered a shovel and, actually, told them to charge the shovel to me (John James) not to Beat Two. But John James died an honest, but poor man.

Looking at the record of 1951, I see where Red Taylor got 79 votes in that small beat then. He said he was going to try to talk himself into office this time. Red must have been reading what I said that Ben Sanders said; that he got $233.33 a month.

That telephones in the court house business gave me a thought: If I was not scared that Byron might get mad I would ask him to let me see the public records to see if the county paid for a telephone for each supervisor.

And, now since television, radio and the press says that coffee has gone down so much, Louie Friedman and I are looking any day to see coffee back to a nickle at Tommie Darras'.

GRENADA COUNTY "FARM OF THE WEEK"

Number 44 In A Series of 52

—This Series Sponsored by Jitney-Jungle, Grenada

If this is YOUR farm, you can get, without charge, a nicely mounted picture of the farm, but you must come to the Grenada County Weekly and identify it.

While you are in the GCW office, we hope to interview you and get a story, for subsequent publication, about this property and about your family.

If you need other photographs of the above, either the size shown, or larger, or on postal cards, the GCW can, and will arrange for them. A reasonable charge, of course will be made for these reproductions. Let us show you samples.

Elliott Baptist Church To Have Visiting Pastor

Rev. Samuel M. Polin, of Los Angeles, Calif. will preach at the Elliott Baptist Church beginning Sunday, March 20th through Friday, March 25th as part of the Southern Baptist Simultaenous Revival Crusade in progress throughout the South.

C. A. Alldread, 66, Dead In Carroll County

We regret to learn from the Star that Mr. C. A. Alldread, 66, had died in Carroll County last Friday. He was a native of that section and a fair minded citizen who mostly attended to his own business and left the other fellows' business alone.

Surviving him are six sons and two daughters.

Grenada Matron Loses Mother

The many friends of Mrs. W. T. Clarke grieve with her in the passing of her mother. Mrs. H. E. Richey at Sturgis, Ky.

Mrs. Clarke went to her mother's bedside earlier last week and her mothr died early Friday, March 4. Rev. Clarke pastor of the First Presbyterian Church and two children went to Sturgis when notified of his mother-in-law's death.

Bob Kincaid, Grenada Native, Died In Memphis Last Week

The following appeared in the Commercial Appeal last Friday:

"Services for Robert H. Kincaid, Sr., retired insurance salesman who died at 9:40 Thursday night, will be held at 1 this afternoon at Cosmopolitan Funeral Home. The Rev. Paul Schmidt will officiate. Burial will be in Elmwood.

"Mr. Kincaid was 68. He was born in Grenada, Miss., and had lived in Memphis 47 years. He was a member of First Methodist Church. He lived at 95 Racine.

"He leaves a son, Maj. Robert H. Kincaid Jr., stationed with the Air Force in the Philippines; two daughters, Mrs. Hugh A. Scott of Memphis and Mrs. Thomas E. Dodson of Forrest City, Ark.; his mother, Mrs Sarah A Kincaid of Norman, Okla.; and six sisters, Mrs. B. F. Martin of Norman, Okla.; Miss Mary Kincaid of Oklahoma City; Mrs. Gertrude Watkins of Barnsdall, Okla.; Mrs. Carrie Harvey of Enid, Okla.; Mrs. J. B. Sharpless of Los Angeles and Mrs. B. C. Nelson of Anchorage, Alaska."

—Commercial Appeal.

Bob, born in this county was reared here, went to school here and moved to Memphis when he was a young man.

Elementary School Children To Present Program

On Friday night at 7:30 the elementary school children will present their annual entertainment. This year's program is a departure from the traditional operetta. The program selected is "The Tom Thumb Minstrels", which as the name indfcates, is an attempt of little people to put on a grown folks entertainment. The "Tom Thumb Minstrels" is divided into three parts - First Part, Olio and Afterpiece. Any one of the parts is delightful and the combination makes a wonderful evening's entertainment. No admission will be charged for the program.

CARD OF THANKS

We wish to take this opportunity to thank our dear friends and neighbors for all the kind deeds they did for us while in the hospital and after we came home. To the nurses and doctor, we say "thank you". Thanks so much for the cards, flowers and food, We enjoyed your visits so much.

May God bless everyone of you is our prayer.

Mrs. V. A. James, Alma James.

Plans Being Made For Dedication Of Grenada Dam

Members of the Corps of Engineers met with the Chamber of Commerce Reservoir Committee Monday, March 7 at 2 p. m. in the Chamber office. The purpose of the meeting was to discuss plans for the dedication of the Grenada Lake Dam. Mr. Jean Selby, Chief, Technical Liaison Branch, presented an outline of necessary committees. A tentative date for the dedication was set for sometime in June. This is to be one of the biggest events in the history of Grenada.

Monroe Looney, chamber president, says that plans will begin immediately and that committees will be announced soon.

Corps of Engineer members present were: Tom Carter and Jean Selby of the Vicksburg District office, H. L. Mullin of the Greenwood Area office, Jack Stewart, Sardis Dam Field office and Marion Knight, Grenada Reservoir Manager.

Juel Batson is chairman of the Reservoir Committee.

Dr. L. H. Hightower Dead In Itta Bena

Dr. Lewis Henry Hightower, who was for long associated with the Holcomb community but who moved to Itta Bena about 35-40 years ago, and established a fine practice and a fine reputation there, died in the hospital in Greenwood Monday of this week and was buried from the Methodist Church in Greenwood Wednesday.

Dr. Hightower was 82 years of age and was born in Carroll County.

He is survived by his widow, a son Dr. J. R Hightower, and four married daughters, also 11 grandchildren.

In October, 1948, the whole town of Itta Bena turned out to pay honor to Dr. Hightower honoring him on a half century of practice.

RESOLUTIONS OF THE GRENADA LIONS CLUB

WHEREAS, the Grenada Lions Club having at their meeting on February 25, 1955 discussed the proposed bond issue for the benefit of both colored and white schools in the City of Grenada, Mississippi and whereas the members present and voting did unanimously approve the proposed bond issue in the amount of $375,000, therefore, be it now

RESOLVED, that the Grenada Lions Club go on record as favoring the aforementioned bond issue, and

FURTHER RESOLVED, that these resolutions be spread upon the minutes of the Club and that a copy thereof be furnished the public press.

Oth[illegible]ndidates Enter Rat Race

Shelton Moore [illegible] For Beat One Supe[illegible]

To The People of Beat One Grenada County:

I am announcing as a candidate for Supervisor of Beat One.

I am 53 years of age, a Baptist, a Mason, am married and have three children. I have lived in Beat One for 24 years, and for 15½ of these years I worked for the County, in Beat One, serving with the late L. P. Horton. During that time I was called upon to build bridges for all Beats of the County. I became experienced with all types of road machinery and with all kinds of road and bridge work. For four years prior to my working in Grenada County, I worked with the Board of Supervisors in Montgomery County. I feel that my experience qualifies me to give you the type of service you deserve.

I pledge to you, the taxpaying citizens of this County and Beat, that I will render my services to you in a warm, friendly and personal way, and that I will cooperate with and support all of our County institutions. I will especially support in a wholehearted way our schools, and will work to keep segregation in the schools.

I will gratefully and sincerely appreciate your support in this election. I served you for several years as an employee of the County—let me serve you now as your Supervisor.

Sincerely,
Shelton Moore.

E. B. Golding Announces For State Auditor

L. B. "Boyd" Golding, widely known Mississippi Educator and businessman has entered the August democratic primary as a candidate for State Auditor.

Mr. Golding, who is now serving as

superintendent of the Benton Public Schools in Yazoo County, is no newcomer to statewide campaigning. He has been on the stump and in headquarters of other candidates in the past.

In last summer's United States senate race, Mr. Golding was one of the "key" men in Senator Jim Eastland's organization, and when the senator was called to Washington in the midst of the campaign, Mr. Golding pinch hitted for him on the stump.

Mr. Golding was one fo the promoters of the Mississippi Chemical Corporation at Yazoo City, the farmer-owned plant manufacturing anhydrous ammonia and nitrate fertilizers. He is also on the board of directors of the Southern Nitrogen Supply Co., and a member of the farm bureau, as well as civic organizations. His church work has been outstanding. He has served his church as teacher of the Mens' Bible Class for 12 years.

Since the state's new public school program has a definite tie-in with the functions of the state auditor's office, Mr. Golding said his experience in education and business fits him for the post. The man he seeks to succeed and who cannot offer for re-election, W. D. Neal, is a former school official.

Mr. Golding was born in Webster County, and spent his boyhood there and in Montgomery County. He worked his way through Holmes Junior College at Goodman by milking cows. While there, he served on the debating team, and won a scholarship to Mississippi Baptist College at Clinton.

At Mississippi College, Mr. Golding majored in political science, earning a B. A. degree. He was on the varsity debating team, and served as presidnet of the Pre-Law Club.

Thomas Bell Announces For County Prosecuting Attorney

To The People of Grenada County:

I hereby make announcement of my candidacy for the office of County Prosecuting Attorney. For your consideration I wish to submit the following information concerning my qualifications for this office:

I was born and reared in Grenada County and have lived here all my life, with the exception of time spent in college and some 6 years spent in military service.

During World War II, I was a B-17 Bomber Pilot in the 8th Air Force. In that capacity I completed my combat tour of 35 missions over Germany. After this military duty I returned to Mississippi to complete my education, and in 1949 was graduated from the University of Mississippi with Bachelor of Arts and Bachelor of Laws Degrees. That same year I came back to Grenada and opened my office for the general practice of law.

In 1950 I ran for and was elected to the office that I am now seeking; but after six months service I was forced to relinquish the office because of being recalled to active military duty in the Korean War.

Although I was called back into service as a pilot I served two years as Assistant Staff Judge Advocate of the 31st Infantry Division, and during this time I received extensive experience in trial work, criminal practice, and many other phases of legal work. In 1953 I returned to Grenada and again entered into the general practice of law.

Because of my education and experience and with full realization of the duties of and responsibility connected with the office of County Prosecuting Attorney I feel that I am fully qualified for the office.

I sincerely desire to serve the people of Grenada County as your County Attorney and earnestly solicit your help and your vote.

Thomas A. Bell

E. J. "Red" Taylor Seeks Supervisorship Of Beat 4

To the Voters of Beat Four, Grenada County:

It is my desire to be elected supervisor of Beat Four. I realize the duties of a supervisor are numerous and I shall do anything within my power to promote a better community life, helping each community equally.

I have had experience in road building. Also, had in my possession Government equipment and have a good record of taking care of same.

If elected to this office, I promise to let the duties of Supervisor be my first obligation with fairness to all.

I sincerely solicit your vote and influence.

Yours to serve,
E. J. (Red) Taylor.

Circuit Clerk Candidate Mrs. Theo. T. DuBois

Mrs. Theo Tribble DuBois, candidate for Circuit Clerk, Grenada County, is pictured above.

Her announcement appeared in last weeks issue, however her picture arrived too late for that publication.

Five Telephones

The Commander of the VFW, and other veterans who attended the meeting Monday of the supervisors, to inquire about Byron Hunter getting county money for "looking after veterans", were shocked to find that the county paid for five (5) telephones in the chancery clerk's office.

SEEN, HEARD & TOLD BY THE EDITOR

With no disparagment of what many others have done in the local VFW organization, I want to say that, in my opinion, Sidney Russell and his wife, have done a heap in that organization and I wish publicly to commend them.

Hope our old friend, Roy Doak, who has been ailing with sciatica, will soon get better and be around on Green and other streets soon. Without seeing Roy monkeying around, just dont seem natural.

Shelton Moore not only got into the rat race but took out the GCW again and we welcome him.

Malcomb James, one of old man Ed's boys who moved to Washington County about 25-30 years ago, is now a candidate for Sheriff of Washington County. The James' Get Around.

Clyde Horn of Oklahoma City writes us that he is getting along better after a recent illness.

Jake Gowan and his fine family have moved from the Ben Brown home here, where they have lived a good many years, to a new job and a new home in Greenville, where Jake has been transferred for work in the IS freight depot there. Good luck, Gowans.

During the past weekend, we revised our mailing list, and the list should be right for a change.

Someway or another, I am expecting a good deal of backbiting and loose talk in many of the upcoming races in this county, but, frankly, I am expecting a real good clean race between John Gray and A. J. Hammonds in the county superintendent's race because both are good, clean fellows.

John Bull walked by sady morning, NOT whistling and I am beginning to think that John has his old job in mind and is trying to get his wife's consent to run.

Jim Nail is still acting up, sorter of kittenish, and I expect I had better save him a place in the rat race.

Frank E. Turner of Colton, New York, writes in that, since he once lived here, he wants to get the GCW. Offhand I dont remember too much about him, yet welcome him just the same.

ex-Constable Cook, whom we call Cook & Co. at the domino parlour is showing signs, inquiring what it costs to run for office.

I think I have finally got Proby spotted and am venturing a guess which office he may seek.

I had John Willingham spotted for running for Circuit Clerk. You know John is sorter one-legged. John may shine in the crowd he is running in. His piece in the paper is being held until this week as he wanted his pitcher in the paper. John is a good fellow.

And by the way, I ree where John took out a subscription. He uster get the GCW all the time, but, someway or another, got cut off.

Was reading a tale in the Saluda (S C.) Sentinel about the man who brought home a beautiful bride, 40 years his junior. The colored servant began crying and, asked how come he was crying, said he hated to ser a man start a big day's work so late in the afternoon.

Wonder how my man Coleman is getting along in his race for Governor Apparently, most folks in this county are for Coleman simply because they know him. He served here so long as District Attorney and Circuit Judge. Then too, he came from close by.

See where Charlie Trussell, one of the supervisor candidates from Beat 2, did a black-face act in Beat 5 at the Holcomb School.

Max Yearger, sterling citizen of Beat 3, spent most of the week in Grenada, playing dominoes. Max is always anxious to get me as partner.

Wonder if the legislators, struggling for more money, ever seriously thought of cutting out this mysticism of the state being "dry" and realisticly turn the sale of licker over to licensed licker sellers and quit this fiction of black market taxes. This is being said by one who positively does not drink any form of licker. Whatever is done, dont make the licenses TOO high, trying to pay the whole load of schools on licker. If the state made legal taxes too high, bootleggers would go right on.

Our man, Mr. Austin, until lately called J Fred, took in Lester Marter's renewal while we were gone.

MAKE YOUR GRASS PAY WITH HEAVY WEIGHT CALVES

D. Howard Doane, founder and chairman of the 35—year—old Doane Agricultural Service at St. Louis, owner of 1,000 acre Grassland Farms at Columbia, Mo., reports ——

"Tests have shown that grain feeding is not a requirement for high quality beef. We can produce it ON GRASS ALONE.

This summer, 1954, was our hottest and dryest during all our weather records. I ran a bunch of 22—month—old SANTA GERTRUDIS steers with a bunch of 28—month—old white-faced steers.

For 150 days from April to September, the SANTA GERTRUDIS gained 305 pounds, or 2.03 pounds per day, while the white-faced gained 163 pounds, or 1.08 pounds per day."

Mr. Doane foresees a spread of SANTA GERTRUDIS in the Mid-South. They can stand cold weather as well as they do hot.

$488 NET PROFIT per acre wins award for Mississippi cotton farmer

C. F. Abel, Duck Hill, Miss., produced 17½ bales on 5 acres, averaging $488.42 net profit per acre, to win top honors in the state agricultural achievement contest. JFC helped him do this. Mr. Abel says, "I've used JFC 5 years and am convinced it's the best fertilizer I have ever used." Use JFC now . . . for more profit at harvesttime.

Witch's Brew

For many centuries the apothecary's art was little more than a witch's brew. The hoof of the wild ass, the tooth of the swine, the heel of the greyhound, when properly brewed, were variously prescribed for headaches, baldness, and to "purify the blood." Out of this medical rag bag of the centuries has come the pharmacy of today. We are not qualified by either education or experience to diagnose disease or prescribe treatment, but we are thoroughly qualified to supply whatever medication your physician prescribes. When he writes you a prescription, bring it to us to be filled.

MORE PEOPLE BOUGHT FORD CARS IN 1954 than any other make!

*Ford passenger-car sales to customers outnumbered those of any other make by thousands**

AND IT'S EASY TO SEE WHY!

Ford is the leader in styling

Motorists know that Ford has set the style trend in the industry for years. And now, with styling inspired by the fabulous Thunderbird, Ford is farther out front than ever!

Ford is the leader in V-8 power

Ford was first in its field (by 23 years) to provide the advantages of V-8 power. Since that time, Ford has built over 14,000,000 V-8 engines—*more than all other makers combined!* For 1955, Ford offers *two* new and mighty V-8's, as well as a most modern Six—all with the split-second response of Trigger-Torque power!

Ford is the leader in ride

Ford was first in its field to introduce Ball-Joint Front Suspension—the greatest advance in chassis design in 20 years. For '55, it's even better. Springs are set at an angle to smooth out even the tiniest bumps. It's the new Angle-Poised Ride.

Brother of Former Gore Springs Residents Dies Suddenly

Mr. Hubert Lipe passed away sud- denly Monday, March 7th of a heart attack in his home at Fairview Community near Indianola.

Mr. Lipe was the only brother of Mrs. Herbert James and Mrs. Carrie Ann Martin, former residents of this community.

Sympathy is extended these bereaved sisters, Mrs. Lipe, the son and other relatives in this dark hour of sorrow.

Mr. and Mrs. Jim Yarbour and J. A. Peeples of Bellefountaine were weekend guests of Mr. and Mrs. J. A. Pyron and family.

Attends Sub-District School For Christian Living

The following people attended the Sub-District School for Christian Living conducted in the Methodist Church in Charleston Feb. 2 - March the:

Mrs. Berlon Worsham, Mrs. W. M. Rook, Mrs. Minnie Chamberlain, Mrs. J. E. Gray Sr., Mr. Don Dickson and Mrs. George Leverette.

Mrs. Worsham, Mrs. Rook and Mrs. Chamberlain had a perfect attendance and received credit for their work.

Mrs Della Moore of Crystal Springs was a recent visitor in the George Leverette home.

Mr. and Mrs. Winston Leverette of Greenville visited on Sunday with their mother, Mrs. Annie Leverette.

Mr and Mrs. C. W. Spncer of Tallulah, La. spent the weekend with Mrs. Lena Ligon in the Charles Grady home and with Mr. and Mrs. Griffis Shaw. They enjoyed fishing with the Shaws Saturday afternoon.

Mrs Addy James visited her aunt Mrs. W. H. Gillon in Greenwood Leflore Hospital last week. Mrs. Gillon's condition is steadily improving. Before returning home Mrs. James visited with aunts, Mrs. Alma Hargrove and Mrs. Pearl Weir and with close friends.

Donald Sulton underwent an appendectomy in Grenada Hospital Sunday mornine. Donald is the son of Mr. and Mrs. Fred Sulton and is a student in Gore Springs High School.

TO THE REGISTERED VOTERS OF THE CITY OF GRENADA

Do You Want To Continue To Maintain Our Present System of Separate Schools For White and Colored Children?

In Order To Do This -

We must provide adequate school facilities for colored children. Colored school facilities are inadequate and badly overcrowded. We now have an overflow of 150 colored school children temporarily housed in the basements of two colored churches.

Of course, we need additional white school facilieis, but let's be fair with all of our children by providing funds to equalize our colored school facilities before we plan additional white school facilities.

—REMEMBER—

We expect to receive sufficient mosey from State Building Grants to retire the proposed bonds.

That, by state law, none of the state money for school building aid can be used to construct white school facilities until we have equalized colored school facilities.

The ladies of the Twentieth Century Club; The Junior Auxiliary; and the Grenada P. T. A. are familiar with our critical school problems, and these clubs have unanimously endorsed the proposed bond issue. They urge you to join with them in voting to provide necessary school facilities.

20TH CENTURY CLUB MET

The first March meeting of the Twentieth Century Club was held on Tuesday, March 1st, at 3:30 in the club room. The hostesses, Mrs. C. H. Calhoon and Mrs. H. J. Thiel, had decorated the room beautifully with gay arrangements of daffodils, flowering quince, and other lovely spring flowers.

The president, Mrs. L. E. Noble, introduced two guest speakers who addressed the members briefly on special subjects. Mr. J. C. Hathorn spoke on the importance of the new school bond issue to the community, and Mrs. Mary Jones explained the importance of a bill to be introduced to Congress concerning fixing the price of gas and gasoline within each state.

Then, to continue the imaginary trip around the world, Mrs. A. M. Carothers gave an interesting look at England, rich in history, tradition, and scenery. She stressed the importance of the reforms in English law through the centuries, and the way these reforms influenced the democratic form of government the daughter countries including our United States, enjoy.

Mrs. A. T. Nadeau then gave a scholarly presentation of the history and geography of France, without, however, going into the present political situation, which is notoriously unstable. France's position on the continent of Europe has largely shaped her destiny, and one may hope that she might develop a strong government again.

Delicious refreshments of tea, gelatin-fruit salad, cake and crackers were served to the members and their guests, Mrs. Brad Dye, Mrs. Maggie Noel, Mrs. R. W. Sharp, and Mrs. J. G. Turnage.

Mrs. D. G. Ross Sr. left last week for a 2 weeks visit with relatives. She stopped first at Poplarville to visit her sister, Mrs. Paul Sanders and family and accompanied by Mrs. Sanders, Mrs. Ross spent two days in New Orleans. From there she went to Crawley, La. to be the guest of her neice, Mrs. Ralph Van Fosseu and family. While she is in their home, Mr. and Mrs. Van Fossau will go to San Francisco to attend an Insurance Convention and Mrs. Ross will supervise the children.

Miss Gloria Norris, daughter of Mr. and Mrs. Carmel Norris of Holcomb participated in the Pilot Christian Witness Mission for Youth, conducted by the Greenwood District of the Methodist Church on the weekend of March 4th. Gloria was assigned to Belzoni First Methodist Church. While there she was guest in the home of Miss Maxine Thompson.

WSCS CIRCLES TO MEET

The circles of the WSCS of the Methodist Church will meet Monday as follows:

No. 1, with Mrs. S. B. Griffis, Mrs. Lee Shaw, co-hostess; No. 2 with Misses Willie and Margaret Cuff; No. 3, with Mrs. Walter Garner; No. 4 with Mrs. Rogers Burt, No. 5 with Mrs. C. W. Arneson, Mrs. W. C. Manscoe as co-hsotess; No. 5, with Mrs. Ann Graves. The first four named meetings will be at 3.30 the latter two at 7:30

Mrs. M. L. Wilson, who has been in Montgomery, Ala. for several months is back home.

DR. CLANTON HOME

Dr. R. A. Clanton who has been critically ill at St. Josephs Hospital in Memphis the past two weeks, returned to his home here last Thursday, March 3. It is understood that Dr. Clanton must not exert himself for a while, any way.

Mrs. Charles Calhoon went to Yazoo city for a short visit on last Thursday with her mother. Mrs. Dalton who had experienced the sorrow of losing one of her dearest friends, following a stroke sustained earlier in the week

Mr. and Mrs. L. T. Forbes and son Richard enjoyed attending the races at Hot Springs, Ark. last week. They were there several days.

Messrs F. R. Lickfold Sr. and James Forbes also Atty Thomas Bell attended the initiation ceremonies Sunday night a week ago, at the Episcopal Youth Center at State College when Fred Lickfold Jr. was initiated into Kappe Alpha fraternity.

In spite of the fact that they seem to pay supervisors in Calhoun County only $100.00 a month, plenty of patriots seem to be running. That, of course, is a good deal less than $233.33 Ben Sanders said he got. Some of these days, the figures for this county may be published and, if so, everybody can read.

Mr. and Mrs. Al Gully of Grenada and two daughters went ovre to Kemper County to visit their folks, according to the Kemper County Messenger.

In looking over that papepr, I see where Lamar got out an unusually large edition last week - 12 pages commemorating the growth of the FFA.

See where Charlie Thomas, who gets his mail in the free state, came in Friday and paid up. Charlie gets his mail in Cascilla, but think he holds his citizenship in Beat 4, out where politics originated.

On our recent little trip, we took the kids to the magnificent capitol of Louisiana, where the flowers are always kept fresh on Huey Long's grave, and also stopped by the Capitol in Jackson and moseyed around on the ground floor where so many mementos of the state are kept in suitable cases. Mississippi may not have as costly a cappitol as Louisiana, but our state has a building of which all Mississippians can well be proud.

One of the most eagerly read parts of our paper was the list of folks who had little checks coming from the Co-Op. We are trying to complete the long list this week.

It looks as if the Democrats, now in the saddle, want to gigve everybody a $20 tax cut. Such a cut would be appreciated by all, but, whether it should be done in the face of an unbalanced budget, and with big war talks, is a big question.

We hope that folks who own the farm headquarters shown weekly in our Farm of The Week series will come in promptly and identify their pictures, tell us about their property, so we can have a good write-up of the property. Please come in not later than the Saturday following the publication of the picture, so you can have free a nicely mounted photograph of the place. It would be a wonderful souvenir - an aerial photograph of your home and surroundings. Nobody has yet come in for last week's picture, but they will drag in about Wednesday or Thursday which is often too late to get the story in the paper this week.

Our schedule of such farm pictures is this: On one Thursday, we print the picture of the mystery farm. The owner comes in, gets his picture and tells us about the property on Friday or Saturday. Then, the next week we repeat the picture and have a story about the farm. But, in order to keep "on schedule", we must have the cooperation of the readers.

This series of Farm Pictures will run on and on. In the meantime, it would be mighty nice for subscibers to keep their copies so that, after a while, each subscriber will have a sort of pictorial album of this county's farm property.

It's fun, too, looking at the pictures as they appear. "Now, aint that Jim's place?" "No, you will speculate", "he has a Fo d car" or, "No, his roof was put on last spring" or, "That gate is never closed", or such speculation as that. Some months ago, Mabel and I hardly recognized our own property and the colored man who lives in the house shown in the picture's background did not know whose house that was.

gas clothes dryers

use dependable GAS

In launderettes, *gas* dryers are favored 30 to 1 . . . And these professional laundry people give good reasons for their choice.

First, *gas* dryers save money. No special installation is needed—*gas* dryers cost less to operate and less to maintain because gas burners are good for a lifetime.

Then, laundry people find *gas* dryers are quick, yet safe for fine fabrics. An automatic *gas* dryer is fast enough to keep pace with your washer.

It's no wonder *gas* dryers are launderettes favorite —30 to 1. Ask your dealer for a demonstration— You'll favor *gas* for clothes drying, too!

How to Pray

Lesson for March 13, 1955

PRAYER is contact. It is contact between man and God. It is contact of the finite with the Infinite. A Christian, a real Christian, who does not pray, is as absurd and impossible a figure as an athlete who never leaves his bed, a student without a brain, a human being who never eats. Not to pray is to lose contact with the living God. "Prayer is the Christian's vital breath" as the old hymn says.

Dr. Foreman

All Christians know this but many feel puzzled about it all the same. Our prayers seem feeble and useless and we may even be tempted to give them up entirely; but many who give up praying would keep on if they only knew how.

Ask!

There is so much in the New Testament about prayer, that a person may well read it through with this one question in mind. Let any reader who wants to try this, start out with a good translation of the New Testament (the R. S. V. for instance or some other modern and readable version) and a blank notebook. In each day's reading notice every reference to prayer—who prayed, why, how, what the result was; or what is said about prayer (as for instance by Jesus and Paul). Some points, it will be found, come out over and over again. Others may be touched on rarely. But few days will go by without the reader finding something that can be jotted down in the notebook, which may have for a title: **What I Have Learned About Prayer from the New Testament.** One thing will certainly come out from the first: Prayer is something God expects of all His children. Prayer is a privilege but it is also a duty. You can raise all the riddles about prayer you can think of—and they are many. You can think of all sorts of things that scare you away from prayer—your own insignificance, God's greatness, the strong possibility that you may not know what is really best for you, and so forth. But all those things were true when Jesus gave His friends those three simple commands: Ask! Seek! Knock! There are blessings that come only to those who ask. There is light to be found only by those who seek. There are doors that open only to the voice of prayer. Without confidence, prayer ends before it starts.

In Jesus' Name

One thing Jesus said has met with much misunderstanding: "If ye ask anything in My name, I will do it." It is not right to think of this promise as attaching a magical influence to the form of words "In Jesus' name, Amen." It is not true that any prayer ending with those words is a prayer that will be answered, and any prayer not ending with those words will not be answered. That is not what Jesus meant at all. Take the story of the two prayers, the publican's and the pharisee's (Luke 18:9-14). Would the pharisee's prayer have been answered and honored if he had ended that proud petition, or rather that prayer of thanksgiving, with the words "In Jesus' name"? Of course not. If he had added such words they would have been out of place. A prayer in that holy Name is truly in the Name only when it expresses the mind of Christ, only when (so to speak) he could sign his name to it. The more nearly our prayers are like what our Lord Himself would think of, the more nearly they will come to being fully answered.

Our Lord's Prayer

The most famous prayer in the world, the one most often repeated by Christians, is the Lord's Prayer. Jesus did not intend this as a formula. A Christian who never prays except in these exact words would not have understood what Jesus taught about praying. What Jesus did mean by giving us this prayer is to show us the "manner" of prayer—that is, the lines on which true prayer must be made. The reader is encouraged to study this short but wonderful prayer again and again, as a guide to his own talks with God. One very important thought is in the very first word: "Our." If the first "How" of prayer is confidence in God, the second is harmony with the mind of Christ, and the third is suggested by this word "our"—remembering we are not alone. If any desire is selfish it is desire that God will not bless.

EARLY GARDEN CORN For Roasting Ears

TRUCKER'S FAVORITE —White, 75 days.

A favorite in the South for so long. Splendid main crop roasting ear and early feed corn. The 8 to 9 inch ears are closely set with 12 to 16 rows of pearly white deep grains. Tender and rich in flavor.

Yellow Sweet Corn

Hybrid Golden Cross Bantam —Yellow, 85 days.

Planted in good soil bears two fulll-sized ears per stalk. Tightly set grains have good width and depth. Juicy, sweet, almost melting in texture. The uniform golden ears are a delight and a delicacy to can or freeze.

WARNING: – FISHING POX!!

SYMTOMS: Continual complaint as to need for fresh air, sunshine, and relaxation. Patient has blank expression, sometimes deaf to wife and kids. Has no taste for work of any kind. Frequent checking of tackle catalogues. Hangs out in Sporting Goods Stores longer than usual. Secret night phone call to fishing pals. Mumbles to self; lies to everyone.

TREATMENT: Medication is useless — Disease is not fatal. Victim should go fishing as often as possible with

JIM OWENS, *popular radio star of WVMI says, "My wife has always used light Karo for cooking . . . and on the table—it's*

dark Karo for me, the best-tasting eating syrup of 'em all"

Yes, indeed...biscuits go like hot cakes when you pour on plenty of delicious dark Karo... there's nothing like it for good eating. Satisfyin' flavor. So rich it stands right up on top of biscuits (keeps 'em light and fluffy). Keep Karo on your table morning, noon and night ...it tops anything!

Ask your grocer for DARK Karo, in pint and quart bottles

There's even more to Chevrolet styling than meets the eye!

This is beauty with a bonus . . . for Chevrolet styling is designed to add safety and comfort while you drive, and to return greater value when you trade.

Truly modern lines are shaped by *usefulness*. You can see what we mean in the deep crystal curve of Chevrolet's Sweep-Sight windshield . . . a dramatic style note, certainly, but one that stems from the need for wider, safer vision. Or take high-set taillights—they add to the impressive length of line . . . but they are up where they can be *seen* for safety's sake.

The smart louvers across the hood aren't just decoration . . . they mark the intake for the High-Level ventilation system for cleaner, fresher air. And the whole shape of the body—its lowness, the dipped beltline—is merely a reflection of a lowered center of gravity, the added stability.

This is truly functional styling that serves you better every mile, and preserves its value against the distant day when you trade. This is Body by Fisher —another Chevrolet exclusive in the low-price field. Come in and let us demonstrate that this new Chevrolet is just as exciting to drive as to look at!
